OFFBEAT CLUB

A Music Colouring Adventure

By Offbeat Club

Three scenes. One hidden guitar pick in each. Find it, colour it bright, then make the whole picture your own.

Sample pages may be printed for personal use or your own teaching. Please do not resell them.

Original book page numbers are retained. This is an excerpt, not the complete book.

Find the pick. Colour it bright!

Look for this little lightning pick in every scene.

There is one to find in each picture.

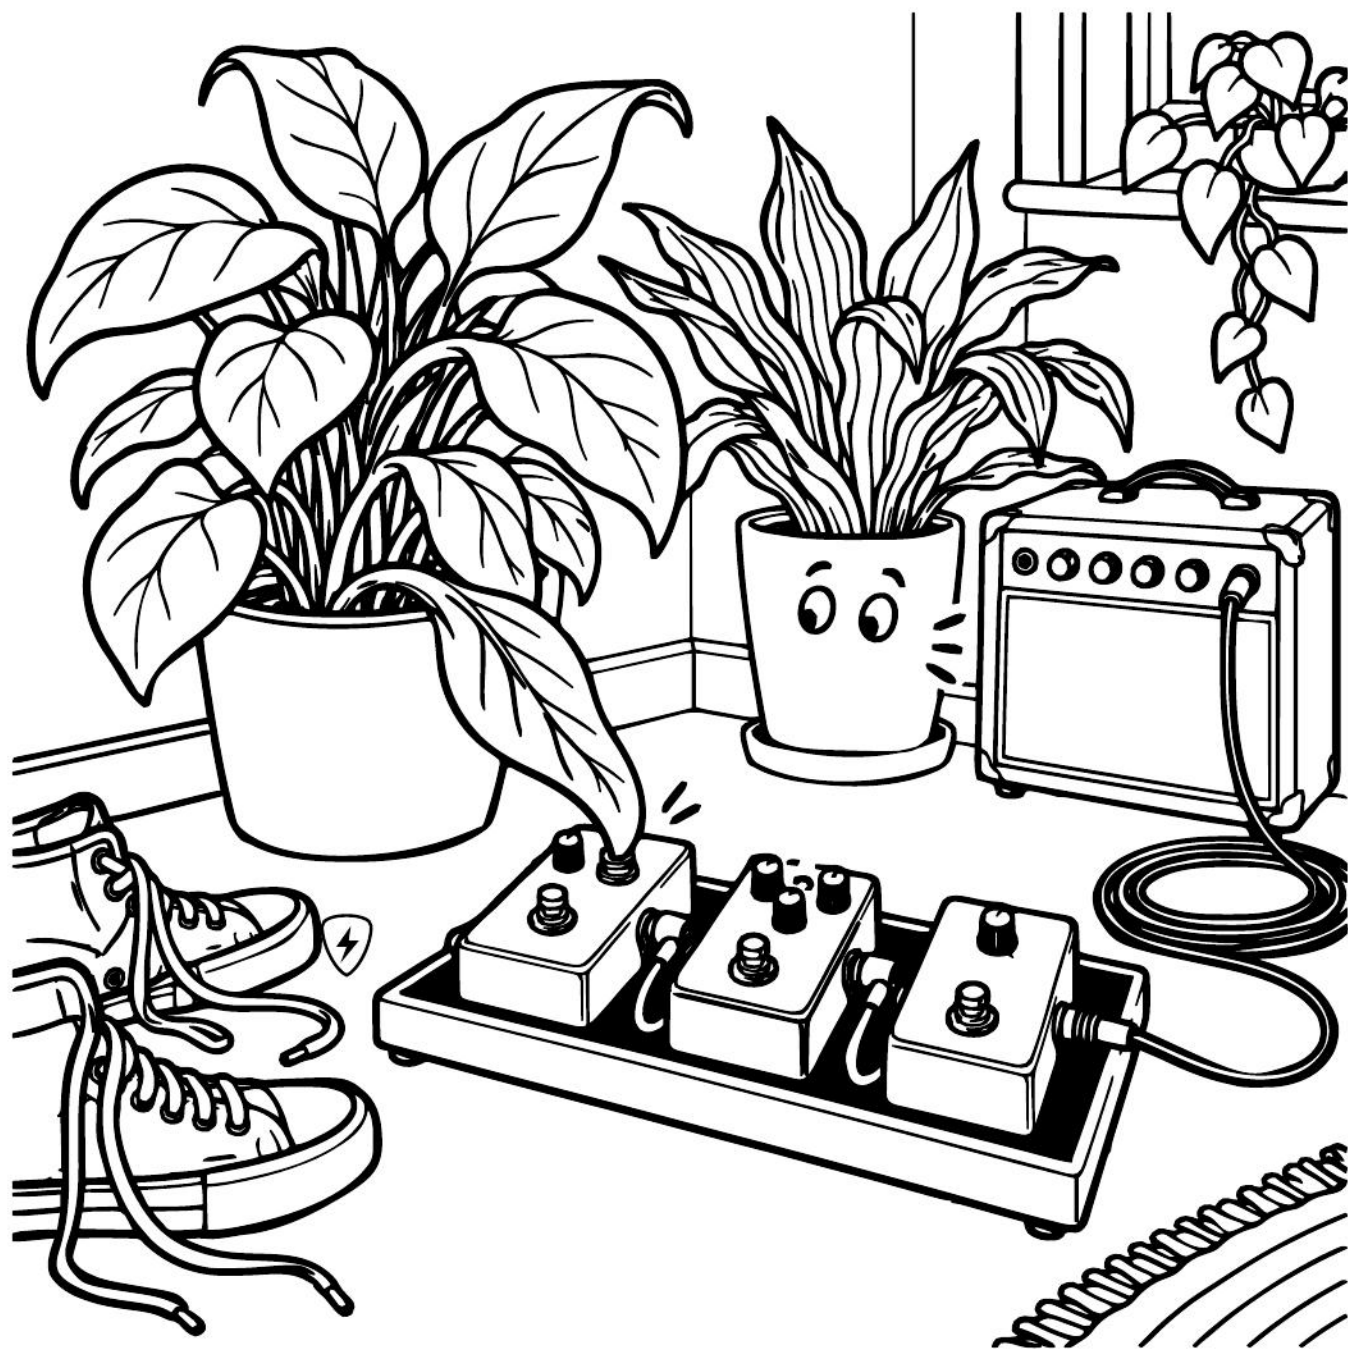

Stuck? The answers are at the back.

Then give the whole scene your favourite colours.

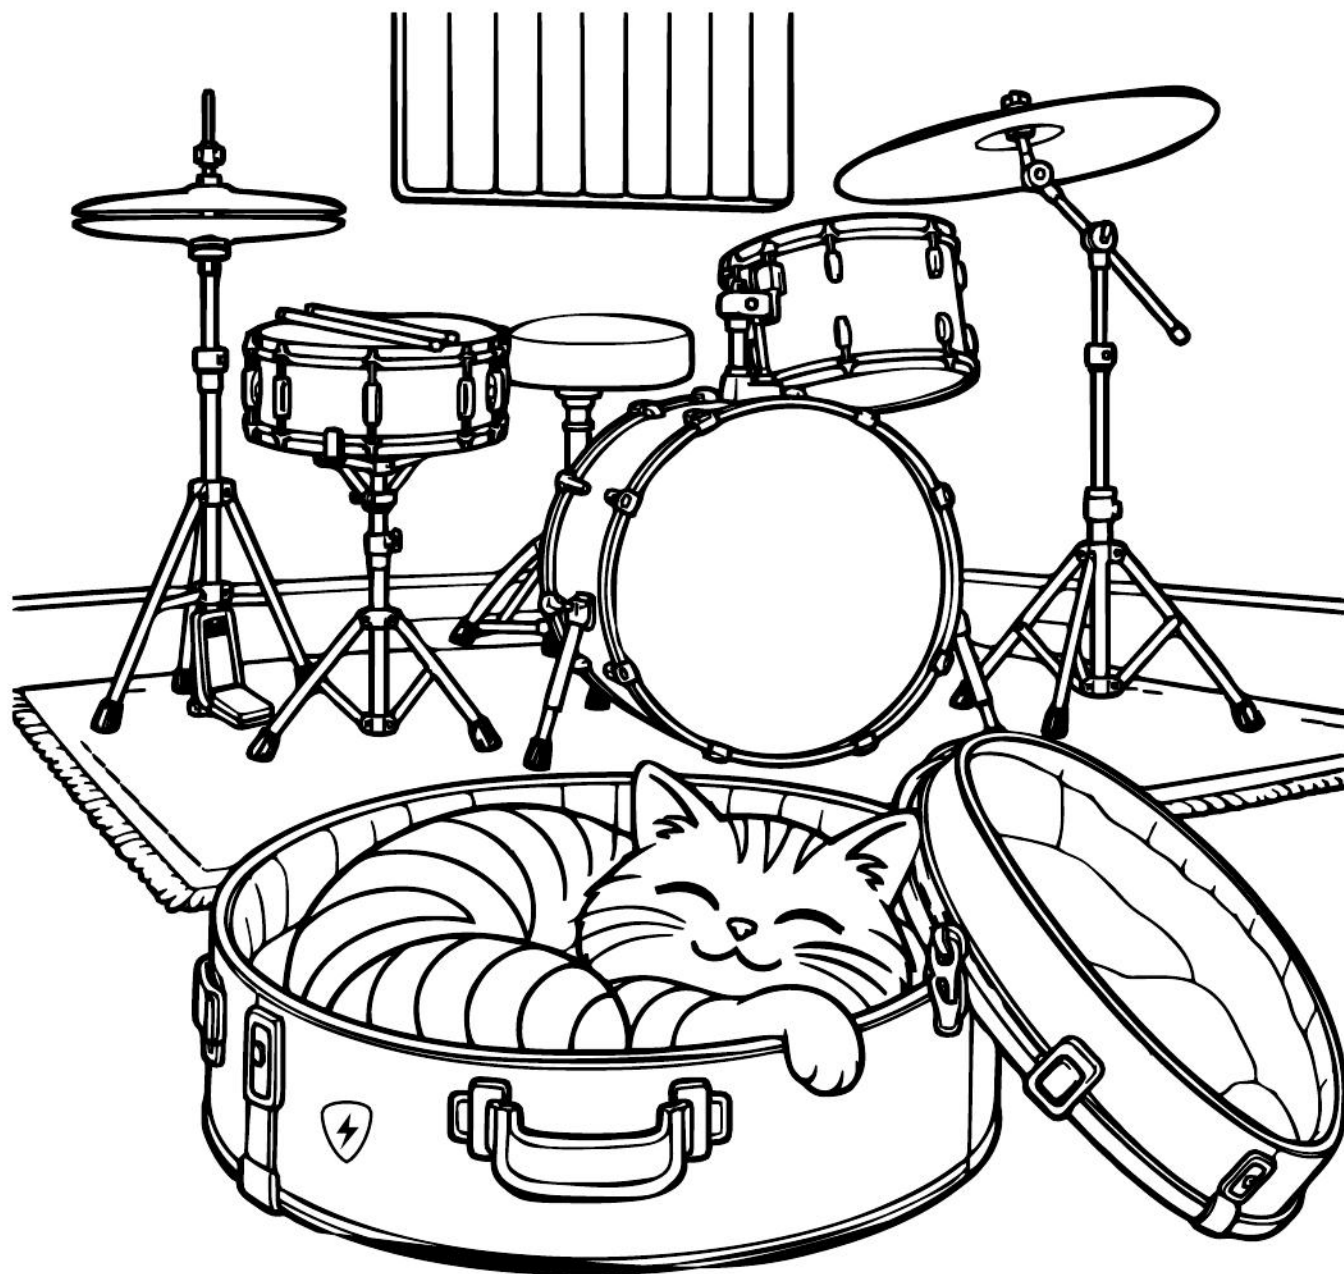

Pencils or crayons work well.

If using markers, put a spare sheet behind the page.
